BECKWITH'S ANTI-DYSPEPTIC PILLS
have been most successfully employed in almost every variety of functional disorder of the stomach, bowels, liver, and spleen; such as heartburn, acid cructations, nauses, headache, pain and distension of the stomach and bowels, incipient diarrhoza, colici, jaundace, fatulency, habitual cestiveness, loss of appetite, sick headache, sea-sickness, &c., &c. They are a safe and comfortable aperient for females during pregnancy and subsequent confidement; relieving sickness at the stomach, headache, heartburn and many of the incidental nervous affections. Literary men, students, and most other persons of sedentary habita, find them very convenient. Those who induge to ofreely in the pleasures of the table find speedy relief from the sease of oppression and distension which follow, by taking the pills. As a dinner pill, they are invaluable. Those who are drinking nuneral waters, and particularly those from southern climates, argue and fever districts, will find them a valuable adjunct. Those who are exposed to the viciositudes of weather on voyages or journeys, can take them at all times with perfect safety. In full doses they are a highly efficacious and safe antibilious medicine. They seldom or never produce sickness at the stomach or griping.

There have been many imitations and worthless counterfects of these pills put in circulation by unprincipled and ignorant persons—the directions, wrappers, &c., of the genuine pills so closely and accurately copied, that the closest observer could not, without a trial of their effects, distinguish between them.

GREAT ENGLISH REMEDY

For Coughs, Colds, Asthma, and Consumption!

The great and only remedy for Colds, Cougha,
Asthma, and Consumption, is the Hungarian
Balsem of Life, discovered by the celebrated Dr.
Buchan of London, England, and introduced into
the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine in the
curse of pulmonary diseases, warrants the American
agent in soliciting for treatment the WORST POSSIBLE CASES that can be found in the community; cases that seek relief in vain from any of the
common remedies of the day, and have been given
up by the most distinguished physicians as confirmed and incurable. The Hungarian Balsam has
cured, and will cure, the most desperate of cases.
It is no quack nostrum, but a standard English
medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not
only to counteract the consumptive tendencies of
the climate, but to be used as a preventive medicine
in all cases of Colds, Coughs, Spitting of Blood,
Pain in the Side and Chest, Irritation and Screness
of the Lunga, Bronethits, Difficulty of Breathing,
Hectic Fever, Night Sweats, Enuaciation and General Debdity, Asthma, Influenza, Hooping-Cough,
and Croup.

In Sold in large bottles at \$1 per bottle, with full
directions for the restoration of health.

Pamplets, containing a mass of English and
American certificates, and other evidence, showing
the unequalled merits of this great English remedy,
may be obtained of the agents gratuiously.
